To Whom It May Concern:

RMIS has provided roofing services for our facilities in the Northwest School Division. RMIS delivers excellent service in respect to new roofing projects including site visits, drawings, specs, tendering, estimates, etc.

Their roof audits are very beneficial when evaluating which areas need attention. They transfer their information into the FAME database for quick reference and effective communication.

RMIS are roof specialists that know their business inside and out. We highly recommend RMIS for any roofing projects.

Yours truly,
